GIN  
MASCARÓ  
"9"

Since three generations our family has been dedicated to the distillation of Premium Spirits.

Antonio Mascaró distilled during many years a Dry Gin with fine alcohols and berries of "Juniperus Communis" that he picked in the mountains near Vilafranca: That Dry-Gin won the confidence of a large group of Gin-Tonic lovers.

Today we have recovered his receipt and Gin MASCARÓ "9" spring up powerful, elegant and sophisticated.

#### TASTING:

- As this liquor has not been aged, it is completely clear and brilliant.
- On the nose it has powerful classic and fine juniper aromas with hints of fresh citric notes
- On the palate it is elegant and spicy with hints of black pepper coming through. Clean and lingering finish.

#### SERVICE:

Serve between 16° and 18°C It can also be served on ice.

#### PAIRINGS:
