

MASCARÓ

LASERIE
WHITE WINE
SAUVIGNON BLANC
2017

Since 1946, our family has been dedicated to producing premium quality Brandy, Cava and wine. From the beginning our founder Antonio Mascaró, insisted on complete control from "vineyard to bottle".

We select the grapes for this wine from our private estate named "Mas Miquel", formally the property of the Cistercian Monastery at "Santes Creus" in the hills of Tarragona.

Careful hand picked harvesting into small wooden baskets. In the cellar they are pressed keeping only the first juice. The free run must ferments in vats under controlled temperature for preserving the maximum quality of this variety.

LASERIE is a lovely, fresh and crispy white wine.

TASTING:

- Pale straw colour with green hues.
- On the nose it is rounded with floral aromas and hints of orange blossom coming through.
- On the palate there is a crisp, fruity palate with an excellent balance between the fruit and the acidity.

SERVICE:

Between 8 Y 10 °C. Avoid extreme chilling

FOOD MATCHING:

For its fruitiness and freshness it is good for fish, rice and fowl based dishes. A perfect match with oriental cuisine.

It is also a good choice to match with soft cheeses.

Enjoy drinking in moderation.

Contains sulphites
